

# Planning for Pediatric Surge

## Community-Based Emergency Response Series (CBERS) 2016

In partnership with the Virginia Hospital and Healthcare Association, the Virginia Department of Health will be hosting a FREE training opportunity for non-pediatric healthcare providers. During this training, regional pediatric clinicians and emergency preparedness personnel will help you prepare for a surge of pediatric patients following a disaster or emergency. This 2 hour training session will be offered at several locations across the Commonwealth.

University Health Services Professional Education (UHS-PEP) of Virginia Commonwealth University Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UHS-PEP designates this live activity for a maximum of 1.75 **AMA PRA Category 1 Credits™**. Physicians should claim only credit commensurate with the extent of their participation in the activity.

This continuing education activity meets the criteria of Virginia Commonwealth University and the Southern Association of Colleges and Schools. 0.15 CEUs will be awarded and recorded with the University.

### What will you learn?

- ◆ Unique considerations when caring for pediatric patients
- ◆ Legal aspects
- ◆ Self-care strategies for healthcare providers
- ◆ Public health and healthcare resources available to assist in planning efforts
